

New Logo and Tagline selected in Contest

Alice Tetamore had the winning logo entry and Mandy Cole had the winning tagline entry in our recent Logo Contest. The new design can be seen on our web page at brownsvillecoop.com. We'll start distributing membership cards with the distinctive new logo in a few weeks. Thanks to all who participated!

Next Co-op Meeting January 8th

Our monthly meetings are good opportunities for people to get involved with Co-op projects. Our next one is January 8th at 7:30pm at the Bramble House Restaurant (209 Templeton).

January 17th is Azure Standard Order and The Goods Deadline

After 3 robust orders, our fourth Azure Standard order in December was pretty wimpy and didn't even meet our minimum order amount (they shipped it anyway). We encourage all Co-op members to take advantage of this great opportunity to conveniently save money on high quality food items. As usual, details on how to order can be found at brownsvillecoop.com/buyers.

Here's a tip for ordering: if in a few minutes after your online ordering you do not receive an email with your order info, your order did not go through.

January 17th is also the deadline for getting orders for The Goods from Scott Burgwin 541 942-8365.

New public access Internet terminal up at Randy's

Those people without decent Internet access now have one more option beyond what is available at the city library. An Internet connected workstation can now be found at Randy's Main Street Coffee Shop. We'll have catalogs at the table as well. Besides making online food orders, everyone is welcome to use the terminal for whatever Internet browsing you want (reading your webmail?), although it would help to be a coffee shop patron :-). Thanks to Randy for offering the space and for the city for sharing their wireless bandwidth.
